AWARDS

Dean's Award for Academic Excellence

2017- UWE Bristol

After achieving an overall grade of 84% in my first year of study at UWE Bristol, I was presented with the Academic Excellence award.

PORTFOLIO

Whilst working as an iOS intern at 3 Sided Cube I helped implement features in apps for The American Red Cross, British Red Cross, Lush, RSPB. Some examples of these features are as follows...

- A Postcode Lookup Service
- Design UI's
- High scores feature using CloudKit
- Applying Google Analytics

Creating iOS Applications for the Apple App Store such as...

- Weather Apps
- Quiz's
- Instant Messaging
- CV App
- Simple Games
- GOT App

Developing a fully functioning online booking website for 'Inner City Travel', features include...

- Mode of Transport
- Pick Dates
- Generate Receipt
- Validation
- Login / Signup
- Prices

This project helped me gain a solid understanding of database integration to websites and allowed me to uncover basic requirements of an E-Commerce website.

iOS Developer Intern at 3 Sided Cube, Bournemouth

July 2017 - January 2018

My summer internship with 3 Sided Cube helped me grasp real world industry standard skills such as working with Git and continuous integration software, working as a team, meeting deadlines as well as giving me experience in working with API's, developing my knowledge of the Swift language and using custom frameworks.

Supervisor at The Cow, Ashley Cross

August 2015 - August 2016

Apprentice Electrician at Aish Technologies, Parkstone

August 2013 - September 2015

Other work experience roles include Tesco, Budgens supermarket, Nationwide Building Merchant, Franco's Italian Restaurant and Wimborne First School.
